

## Augusta-Richmond County Bid Stipulations – 2012

In order for Pipeline Work Clothes to properly serve you with the quality service that you deserve, the following stipulations must apply:

- ❖ All employees of the County must be measured by a trained member of the Pipeline staff. If we perform the fitting, and a size comes in incorrectly, then Pipeline Work Clothes will take full responsibility for the mistake and the correct size will be issued. However, Pipeline Work Clothes will not take responsibility for sizes that are incorrect due to a self-fitting.
- ❖ All alterations that are not included in the original bid will be an additional charge to the County.
  - Any sizes requested that are not listed in the original bid will be considered a special fit. Special fit items are subject to:
    - 8 – 12 weeks lead time, as special fits must be manufactured specially for the order.
    - Extended pricing, equally approximately twice the cost of a regular-sized item.
- ❖ Prices included in the packet do not reflect embroidery. Embroidery is a separate charge per item as outlined in the original bid package.

Pipeline Work Clothes would like to take this time to say thank you for giving us the opportunity to serve you!
